D. Each full-time employee may convert two (2) accumulated sick days into one (1) vacation day, provided the employee maintains a balance of at least eight (80) accumulated sick days. Such conversion shall be permitted up to a maximum of ten (10) vacation days each calendar year and must be converted as full vacation days. When an absence is approved under such circumstances, the employee shall be required to use accumulated personal, annual or compensatory leave, or a leave of absence without pay in that order.

32 - MEDICAL LEAVE OF ABSENCE

Use of any available sick leave, or continued unpaid medical leave of absence will not require any additional medical certification during this 30 day period. Thereafter, medical certification that the employee is medically disabled must be provided for any further use of sick leave or continued unpaid medical leave of absence.

33 - PERSONAL LEAVE WITHOUT COMPENSATION

Upon request to and approval by the Executive Director, full time employees may take a leave of absence for personal reasons of up to a four (4) month duration. During the entire period of said leave, the employee shall receive no pay or other economic benefits. The

Finally, this Memorandum does not constitute a contract nor does it establish, in any way, a contractual relationship between the Authority and the Union or any employees.

Dear Mr. Purvis:

I am writing to confirm our discussions regarding the issue of Flag Day, June 14, 1994 for employees in the non-professional First Level Supervisory unit.

Last year, it became necessary for the Superintendents in the above referenced unit to work on Flag Day because that day was no longer a paid holiday for their subordinate maintenance employees. In deciding that Flag Day could no longer be a holiday for the Superintendents, we indicated that we would consider how we could equitably recognize the Superintendents' cooperation as a part of concluding our overall discussions.

To compensate the Superintendents for the cooperation they demonstrated last year, the Authority will credit each Superintendent who was employed and who worked on June 14, 1994 with eight hours of compensatory time. Those eight hours will be credited to their accumulated compensatory leave balance. This will be a one time credit to that balance.

Again, the Authority wishes to extend its thanks to the Superintendents for the cooperative and responsible manner in which they responded to that situation.

Sincerely,

Dear Mr. Purvis:

I am writing to you to confirm our discussions regarding the current leave balance accumulations for employees in the non-professional First Level Supervisory unit.

In light of the regular actual hours worked, the new method for calculating in compensatory overtime, and, the relative value of past accrued leave, the Authority has determined that it is appropriate to adjust the current accrued leave balances for employees in this unit. To make this one time adjustment, the Authority will multiply leave balances as of June 30, 1995 but eight-sevenths (8/7) and credit any additional hours to the employees(s) balance(s).

This adjustment will be applied to the following categories of accumulated leave: vacation, sick, personal and compensatory leave.

This above action will result in a positive relative adjustment to those balances.

Sincerely,

A handwritten signature in black ink, appearing to read 'Patrick R. Heron', is written over the typed name.
