

Teladoc Health

Virtual care support,
anytime, anywhere

Teladoc Health (Teladoc) is a global leader in whole-person virtual health care, with one of the largest virtual care networks in the country featuring over 7,000 providers across specialties. Your employees will always get access to convenient, confidential, and affordable care.

Teladoc General Medical

Your employees have 24/7 access to board-certified doctors who can diagnose and treat non-emergency conditions such as sinus infections, flu, sore throats, allergies, earaches, and pink eye.

Teladoc Mental Health Care

Your employees can schedule visits with a licensed therapist, psychologist, or psychiatrist and get support for depression, anxiety, stress, grief, and more.

Teladoc Dermatology

Your employees can consult with a board-certified dermatologist who can provide timely answers to questions about new or chronic skin conditions like rashes, acne, eczema, and rosacea.
